## bottle4LIFE

Our bottles are made to last and last so keep on refilling them, our packaging can be re-used or recycled and everything else dissolves.

We offer a fully #ZeroWaste system, please return your old bottles to us and we'll make sure they never end up as waste.

#MoreOceanLessPlastic

### Stay Safe

We don't like harming people or the environment so our products are not hazardous when they are diluted.

When you are handling the concentrate please make sure you:

- Store them in a dry area with the tabs inside the packets
- Only handle the tabs with dry hands
- Don't handle any damaged tabs
- Follow the safety data sheet
- Keep them out of the reach of children
- Avoid the concentrated powder making contact with your eyes or skin
- Follow the colour code

**Always match the bottle to the packet to make sure you have the correct tab type and colour.**
